

Anex-Annual Standards action plan 2009
Standardization department/Division of Preparation of standards

Year

2009

□	Technical Committee (TC)	Metrology	No. of Technical Committee			Secretary of Technical Committee □		Eng. Mahmoud Abu Sunober
# □	Sector	Proposal □	Process	Date of start □	Date of finish	Input □	Priority	Notes
1.	Mechanical engineering	Vernier callipers - Vernier callipers reading to 0.1 mm and 0.05 mm	Amendment 459/1986	2010	35	Periodical review □	□	□
2.	Mechanical engineering	measurement-measuring systems for liquids other than water	Restructuring 707/1990	2010		Periodical review □	□	Done! From MID □
3.	Mechanical engineering □	Laboratory glassware - Moisture meters for cereal grains and oilseeds	Amendment 857/1992	2010		Periodical review □	□	□
4.	Mechanical engineering	Laboratory glassware - Clinical thermometers (mercury-in-glass with maximum device)	Amendment 859/1992	2010		Periodical review □	□	□
5.	Mechanical engineering □	Laboratory glassware - Volumetric flasks in glass (one mark)	Review 860/1992	2010		Periodical review □	□	□
